

Verifone 240M Battery Terminal - Car Charger Guide

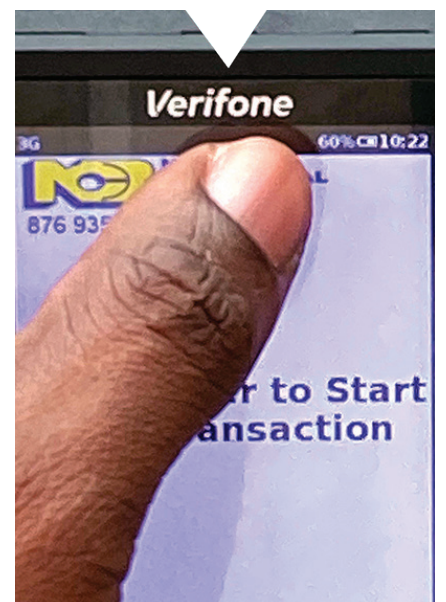

Step by Step view of how merchants may exit / escape car charger mode

1: Long press the RED X cancel key until you see the power Panel menu option on the screen.

2: Scroll up on the screen until you reach the very end and select the icon that is labelled "Car Charger".

If done correctly, you should no longer be seeing the car charger icon in front of the battery percentage.

Your business and customers are important to us. If you have any further questions or concerns, you may contact your assigned Sales & Relationship Officer or feel free to reach out to us through one of our merchant support channels.
